ANNOUNCEMENT:

In 2020, the United States Fish and Wildlife Service (FWS) enabled falconers to enter their own data and 3-186as into the State Falconry Federal Database (<https://epermits.fws.gov/falcP/>).

The ADF&G, Division of Wildlife Conservation (DWC) recognizes that the Alaska Falconry Manual must be updated to reflect this change. This change requires a Board action and therefore, will take time to enact. In the meantime, all falconers should submit their 3-186as to the State Falconry Federal Database *in addition* to sending copies to the permitting email (dfg.dwc.permits@alaska.gov).

Sincerely,
